ART & BLOOM

with the League of NH Craftsmen, Concord, NH
January 26-28, 2023

The Concord Garden Club (CGC) announces the 20th annual **Art & Bloom** exhibit. The event will be held at the headquarters of the League of NH Craftsmen (LNHC) and will feature floral arrangements inspired by art pieces on display during the LNHC's Exhibition Gallery Winter Exhibit. Art pieces will be selected by the LNHC and then translated into floral arrangements by CGC members, local floral professionals and other interested community members. According to the Event Chair Millie LaFontaine, "Members of the public are in for a real treat. Art & Bloom is a great community event. It's always amazing to see how the art pieces inspire our floral designers, and how the floral arrangements enhance the art."

The exhibit is free and open to the public at the League's headquarters located at 49 S. Main St, Suite 100, in Concord, NH. For more information visit CGC at www.concordgardenclubnh.com or the LNHC at nhcrafts.org.

Art & Bloom will run January 26-28, 2023.

Exhibit hours: January 26, 1 pm – 5:00 pm, January 27 & 28, 10 am to 4 pm

About CGC. Concord Garden Club is a non-profit organization of over 50 members who are interested in all aspects of gardening. The group meets monthly throughout the season for informational and social events focused around gardening topics. It is also involved in community service and efforts to beautify the landscape and gardens in the Concord area. Visit our website at www.concordgardenclubnh.com
